Leadership Structure:

- **President**
- **Team Leader of each Ministry or Community Teams**
- **Team Members of a Ministry or Community Teams**

The President and Team Leaders role is to give oversight and facilitate the overall direction of the BCM. **The President and Team Leaders will have a monthly meeting on Mondays at 7 P.M. Also, the President and Team Leaders will have regular meetings with a BCM staff member.**

The Leadership Team meets once a month on Tuesdays at 11am.

Ministry and Community Teams:

Common Ground Team: The team's role is to create a student friendly worship experience, on Tuesday nights, that encounters God and moves us where He desires. This team will be responsible for planning, coordinating, and implementing all aspects of the weekly worship service at the BCM.

****Accessibility Coordinator-** is someone on the Common Ground Team (please indicate interest on the preference list on the application) who assist the needs of students on our campus who have accessibility needs. This student leader will work with Accessibility Services

of TTU to train our Leadership Team to integrate techniques that provide an accessible place of ministry for students of TN Tech.

Soul Food Café Team: This team's role is to provide a weekly meal ministry on Thursdays at 11:00 A.M., for TN Tech students. Your responsibilities include enlisting churches to provide meals and messages; setting up and taking down; overall flow of service; and promotion of the ministry.

Kaleo Community Team: This team's role is to provide leadership in assimilating, creating, and multiplying discipleship groups with the goal of saturating the campus with a Gospel witness. The team will provide community-building and outreach opportunities for KCs. This team, along with PC Team, will plan and coordinate the Fall and Spring Launch Weeks.

Portico Community Team: This team's role is to come alongside of freshmen to welcome and assist them in their transition to TN Tech on Thursday nights during the fall semester. Spring semester will involve transitioning freshmen and Portico leaders into Kaleo Community Groups. This team will also create community building, leadership development, and outreach opportunities for freshmen. This team, along with KC Team, will plan and coordinate the Fall and Spring Launch Weeks.

Missions Team: This team's role is to communicate to the BCM students the biblical mandate of missions. This team will mobilize students to be on mission for Christ through the [State BCM Summer Missions](#), other University breaks, etc. The team will plan and implement fundraisers for the state mission goal through fun opportunities like the secret agent, exam survival kits, etc.

Outreach Team: This team's role is to provide effective opportunities for the BCM community to serve and share the love of Christ. The team will be responsible for follow up with students who have decided to follow Christ and assimilate the student/s into a Portico or Kaleo Community Group/s.

Media and Communication Team: This team's role is to provide the promotion of ministry, audio, lighting, and media needs for Common Ground, Soul Food Café, and other ministry opportunities. This team is made up of students who know how to operate: sound system, lighting, ProPresenter, social media, Canva, photography, Dropbox, videography, Planning Center, and MailChimp.

****NEW to MC Team:** A student leader to assist with telling God's stories of the BCM by writing brief stories to share with our students, alumni, churches, etc. This student will work with Robin to create digital and printed newsletters. Videography and photography experience would be helpful.

International Team: This team's role is to welcome the nations to TN Tech by building friendships through already established connection points on campus (Campus sponsored international events, BCM events, etc.) and English Corner (weekly ESL ministry). For the international students who are interested, this team will help these students learn the Christian worldview.

Athletic Team: This team's role is to develop community and outreach opportunities through Intramurals, University Athletics, and other athletic events.
